- Application Fee for new families is \$100 per student regardless of starting date
- Enrollment Fee for new families is \$250 per student regardless of starting date

- Supply Fee for all families is \$150 per student regardless of starting date
- All fees are non-refundable and non-transferable.
- Placement in a class can only be guaranteed for the enrollment month in which it is offered. Space cannot be held for later start dates.
- Those families using the monthly payment option will need to enroll in our Tuition Payment Program (TPP). There will be an annual processing fee of \$50 applied to the first month's payment if tuition is paid monthly.
- The 5% discount for making one yearly tuition payment does not apply to students enrolling after July 15th.
- Assistant teacher positions are available. Please indicate interest on the registration form and complete the application located on the website. Positions will be offered after interview and according to qualifications and availability.
